SKETCHING SCIENCE 2020 COMPETITION RULES

TOPIC
Works whose main theme is science or one of its branches will be admitted, with a positive point if it is related to biotechnology. The content of the work must be aimed at the general public.

PARTICIPANTS
This competition is open to anyone, professional or amateur, as long as their work complies with the rules set out here.

ADMISSION AND FORMATS

- The works must be property of the author who submits them to the contest.
- Each contestant may submit only one work, original and unpublished. Works submitted or awarded in other competitions will not be accepted.
- The works must be sent in digital format (. jpg, . png or . pdf) to the e-mail eusbiotek@gmail.com with the subject "SKETCHING SCIENCE" with the following data:
    - Title of the work.
    - Brief description of the work or accompanying text.
    - Author (Name and Surname)
    - Nickname (optional)
    - Mobile phone
    - Contact e-mail.
- Receipt message will be sent.
- The work can be a cartoon, a comic strip, a drawing, a portrait, a sculpture, etc.
- The technique will be free and each participant must have his own material.
- Size will be free.

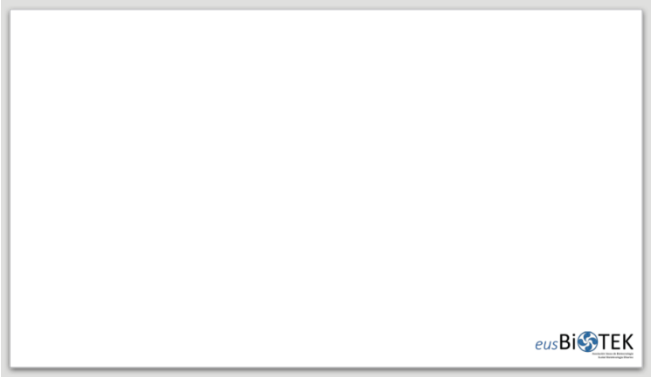
TERM
The deadline for the delivery of the works will begin on April 1 at 00:00 h and will end on April 27 at 23:59 h.

JUDGES
The judge will be independent and will be composed of 3 members, elected by the Board of Directors of eusBIOTEK.

EVALUATION
The following aspects of the work will be evaluated by each of the judges with a score from 1 to 10: originality, impact, artistic endowment, timeliness, scientific rigor, design and relationship with biotechnology. The final evaluation will be the sum of the score obtained in each of the aspects by each of the judges. In the event of a tie, the work with the highest score in the section "Relationship with Biotechnology" and "Scientific Rigor" will be the winner.

AWARDS
The winner will be awarded a 50 euro gift card from ‘El Corte Inglés’ or ‘Goya’ bookstore, at the winner's choice.

EXHIBITION
The works presented may be published on eusBIOTEK's Social Networks as well as on its website.
The drawings will be published indicating the authorship and eusBIOTEK reserves the right to put its logo on the works where its content is minimally damaged.
Example:



AWARDS DELIVERY
The winner will be contacted by e-mail on 30th of May of 2020.

WORKS
The works are at the disposal of eusBIOTEK, which reserves all the rights over them and their possible publication, citing their author, and complying, in any case, with the provisions of the Law on Intellectual Property.

OBSERVATIONS
The participants are responsible for the authorship and originality of the works presented, as well as for the absence of third party rights on them, and for any claim that could be made for image rights. The organization will take strict care in the handling of the works received, but declines any responsibility for loss, breakage, theft or damage suffered, during the Competition, in its Exhibition or in its return.
eusBIOTEK reserves the right to cancel or declare the competition void if there are not enough participants for its development, to extend the deadline for the submission of works, as well as to modify, suspend or cancel it if there is a just cause.
All those works that do not meet any of the requirements established in these Rules will be automatically disqualified.
The mere participation in this Contest implies the total acceptance of the Regulatory Bases of the Contest. In everything not foreseen in these bases, the Basque Association of Biotechnology eusBIOTEK will solve what is necessary.
eusBIOTEK se reserva el derecho a cancelar o declarar desierto el concurso en caso de que no haya suficientes participantes para su desarrollo, ampliar el plazo de presentación de trabajos, así como a modificar, suspender o cancelarlo si concurriera causa justa.
